Pregnancy Based Assessment

No. of weeks to birth / since birth

Assessment Type

Re-assessment Date

Working Environment

1 Space constraints prevent good posture?

List Problem Areas:

2 Need for reaching over / around obstacles?

List Problem Areas:

3 Are the following present?

If more than one, please specify:

4 Possible to use elevator instead of stairs?

5 Working environment?

6 PPE required?

7 Types PPE required?

If Other, specify:

8 Rest facilities available?

9 Regular work-related travel (nationwide or abroad)?

List Details:

Biological Agents

10 Likely exposure to bio. Agents?

11 Biological Agents in Form of?

12 Agent included in risk groups 2,3,4 of Biological A.Reggs?

Pregnancy Based Assessment

13 PPE required / provided?

15 Possible exposure to?

16 Preg. employee immunised against these?

Chemical Agents

17 Regular exposure to chemicals?

18 Exposure to?

If more than one, please **specify**:

19 Are any of Chemical listed in Chem. Agent Regs?

20 MSDS available for each chemical?

21 Any substance labelled:

(a) R40: (possible risk of irreversible effects)

(b) R45: (may cause cancer)

(c) R46: (may cause heritable genetic damage)

(d) R61: (may cause harm to the unborn child)

(e) R63: (possible risk of harm to the unborn child)

(f) R64: (may cause harm to breastfed babies)

22 Is PPE required/provided?

Physical Agents

23 Does task involve?

If more than one, please **specify**:

24 Exposure to potential source of Ionising rad.?

25 In liquid/solid/dust state?

Pregnancy Based Assessment

26 Dose limits monitored?

27 Are they below stat. limits?

28 Possibility of radioactive contamination?

29 Exposure to potential source of Non-ionising rad.?

30 Exposure to potential source of Non-ionising rad.?

31 Exposure to electromagnetic fields and waves?

32 Exposure to optical radiation?

Noise

33 Exposure to noisy environment?

34 Noise level exceed 85dB(A)?

35 Noise monitoring carried out?

36 Is PPE required/provided?

37 PPE worn as required?

Movement & Posture

38 Task involve periods > 1 hour at a time standing/sitting?

39 Chairs provided?

40 Anti-fatigue mats available?

41 Work areas restrictive/confined?

42 Work at heights?

VDU

43 VDU usage?

Pregnancy Based Assessment

44 VDU assessment completed?

45 Info provided re: safe use of VDU's?

Shift Work

46 Early shift work?

47 Night work?

48 Reg. shift patterns?

49 Overtime?

Manual Handling

50 Does work involve?

If more than one, please **specify**:

51 Risk of slipping?

52 If push / pulling, are hands above shoulder/ below waist?

53 Distance excessive?

54 Load handled up steps /slopes?

55 Mechanical aids used?

56 Time restraints?

57 Is object weight > 5kgs in seated position?

58 Is object > 16kg & handled in working posture?
(other than seat)

59 Is Load bulky / awkward to grip?

60 Is Load slippery?

61 Is Load unevenly distributed?

Pregnancy Based Assessment

62 Is Load difficult to grasp?

63 Is Load sharp with abrasive edges?

64 Is Load hot / cold / hazardous?

65 Is Load likely to shift during handling?

Employee Comments

66 Satisfied with lighting levels?

List concerns:

67 Satisfied with working temp.?

List concerns:

68 Satisfied with noise levels?

List concerns:

69 Satisfied with break/rest periods?

List concerns:

70 Satisfied with rest facilities?

List concerns:

71 Satisfied with job rotation?

List concerns:

72 Is employee aware of Occupational Health services?

73 Is employee aware of Health Monitoring services?

74 Is employee aware of First aid services?

75 Is employee aware of Training & info provided on job?

76 Is employee aware of Fire safety & evacuation training?

77 Is employee aware of Manual handling training?

Pregnancy Based Assessment

78 Is employee aware of First aid training?

Recommendations / Control Measures
